### CONSULTING ENGINEER'S CERTIFICATE

I, \_\_\_\_\_, Professional Engineer of the firm of \_\_\_\_\_, Consulting Engineers, who are engaged by the Developer to design and inspect the construction and installation of roadways, utilities and other improvements, do hereby certify that the utilities and improvements within the area shown on the attached plan have been constructed, installed and inspected in conformance with the Municipality's specifications and approved designs, or as otherwise required by the Municipality, and that all defects and deficiencies in work and materials have been reported to the Developer and the Municipality and have been remedied by the Developer, and that the roadway, utility or other improvement noted herein meets all the requirements for acceptance. I confirm that I have been empowered by the Developer to honour, comply with and perform all of the Consulting Engineer's obligations and to provide all of the Field Services as specified in the current *Consulting Engineer's Field Services Guidelines*, as issued by the Urban Development Institute/City of Calgary
