

CHESTERMERE

Proclamation

WASTE REDUCTION WEEK

October 19-25, 2026

WHEREAS Waste Reduction Week is a national campaign that inspires Canadians to prevent waste, use resources responsibly, and adopt sustainable habits that advance a circular economy; and

WHEREAS discarded materials and litter consume valuable resources, affect the health of our surroundings, and create environmental challenges within our community and beyond; and

WHEREAS the City of Chestermere recognizes that protecting natural resources and maintaining clean public spaces contribute to a healthy, resilient, and vibrant community; and

WHEREAS the City of Chestermere supports waste reduction through initiatives such as the expansion of the Blue Cart curbside collection program, which allows resident to place newly eligible materials directly into their existing Blue Cart, and the transition of the City's Eco-Centre to a single-stream collection model, which means residents no longer need to separate glass, paper, tin, cardboard, and plastics into individual bins; and

THEREFORE I, Shannon Dean, Mayor of the City of Chestermere, do hereby proclaim October 19-25, 2026, as:

“Waste Reduction Week”

Mayor Shannon Dean
