What is CAP?

The Community Access Program (CAP) supports Chestermere, Langdon, and SE Rocky View residents with accessing multiple, subsidized resources.

Each year, eligible residents can apply for a card to participate in the program. The card gives participants access to community memberships, classes, transit passes, and additional offerings made available by local businesses.

Each partnering business decides what discount will be applied to the program/ service being offered to CAP participants.

Each card expires on December 31 each year and must be renewed at Chestermere Community Support Services located at City Hall.

All information provided to staff is kept strictly confidential.
