SAFETY RULES

Chestermere Family Bike Park

Do not cut across trails while riding the Flow Track or pump track.

Do not ride against traffic on trails.

The trails are for riding only. Do not climb jumps or play on any equipment or features.

Ride within your ability. if you can't make a jump without stopping, try an easier trail.

Ride slowly on the park pathway.

Be aware of other riders and give them space to avoid collisions.

Strider bikes (bikes without pedals) are not allowed on the advanced or expert tracks.

Do not sit or climb on the fence.

Respect the park and use the garbage cans.
